

The Mysterious Message

By: Kaedan Breeze, age 10

“Mom! Mom!” I cried, “how about this one?”

We were at the music store. I had always dreamed of having my own guitar and now was my chance!

“I LOVE IT”

“Let’s get it,” Mom said.

“YEAH!!!” I exclaimed.

When I got home, I immediately opened the case but before I started playing, out of the corner of my eye, I noticed a mysterious message engraved inside the guitar. I had no idea what it said.

“Mom?!” I yelled and she came sprinting downstairs.

“Yes?” she asked.

“Do you know what this says?” I wondered.

“What?!”

She peeked at the message inscribed in the wood. With a confused look on her face, she peered over at me and told me that she had no clue of what it said. This is when I knew that this was a mystery I would have to solve.

The next morning I awakened from a dream, still in shock about what had happened the day before. I had dreamt of a plan to discover what the message in the guitar said! Mom and I decided that first we would go back to the music store to see if they knew anything about this mystery message.

When we arrived at the store, we asked them if they knew what this mysterious message said. They didn’t know but they told us that they had a contact with a worker who used to work there who might know because that guitar had been there for a very long time. Later that day, we called the number that the music store had given us.

“Hello,” said a voice on the other end of the line.

“Hi,” said my mom, “My son and I bought a guitar at the music store yesterday and my son noticed a very mysterious message inside, but we don’t know what it says! We went to the music store and they didn’t know but they suggested we call you! Do you happen to know what it says?”

“That is a very special guitar,” he said that Bob Dylan had donated that guitar and engraved...

To my rockstar fans

All you can be is you - whoever that is

I couldn’t believe it when I found out that I had ended up with my favourite musician’s guitar!

It was a real dream come true!
